- 12 beds, including 4 private rooms
- 3 rooms with full Polysomnographic capabilities for advanced sleep testing and analysis
- Dedicated pharmacy, lab, and enclosed nursing station for up to 4 staff members

THE ARTEMIS DIFFERENCE

Artemis Institute for Clinical Research was established in 2008 by a group of colleagues with extensive clinical research experience, who shared a commitment to developing a more thoughtful and professional approach to conducting clinical trials. Artemis was founded on the Core Purpose of prioritizing patients, advancing medicine, and improving the world.
